Our duties include the care and maintenance of the church kitchen and dining facility and providing dinners, breakfasts and other fund raisers to achieve our goals. We are responsible for our after church coffee hours. We provide funeral luncheons or desserts for our members and friends. Our goal each year is to provide a place, a meal and an atmosphere for our congregation to gather to share their time together in celebration or to ease the grief of losing a loved one.

In 2010 we served a swiss steak dinner, a pancake breakfast and most recently the Harvest Dinner. All were successful financially and provided the fellowship of sharing a meal. We also provided four funeral luncheons and one funeral dessert.

This year we completed the replacement of the counter top with three sinks on the west side of the kitchen. This was by far the most extensive and complicated of the counter tops to be replaced. We are hoping to replace the north counter top in early 2011. Our next major, long term goal is to replace the tile floors in the kitchen and dining room.

Thank you to all who attended our fund raisers and to all the Commission members and commission friends who worked so hard for our church family.

Respectfully submitted,

Dan Rothstein
