

On-Line Electronic Giving

We are continuing our relationship with Vanco to assist us in accepting electronic donations and staying connected with one another.

There are two ways to make donations to the church:

- Going to the church's giving web site (see link on the church website: www.unitedchurhbr.org) and clicking on the DONATE link

- Using the Vanco mobile app that can be found in the Apple App Store or the Google Play Store; look for the “Vanco Mobile Faith Engagement”

The United Church of Big Rapids

To donate you can

1. make a one-time donation without setting up an account
2. make a one-time donation setting up an account (creating your own username and password)
3. make a recurring donation by choosing the frequency (weekly, biweekly, monthly, semi-monthly) and the start and stop dates
4. attach the donation to a credit card, checking account, or savings account
5. give an additional 2.75% to help offset the processing fee (this is optional)

The way we continue to come together to worship today is different since we have shifted to virtual ministries, but we are still a community and we hope for those interested, this will be an easy way to stay connected. For now, we are taking advantage of the electronic giving component of Vanco, but in the future, we will be expanding into helping us stay connected in other ways. Stay tuned as our use of these new tools expands.
