

Scrip Program

Annual Report 11/20/2023-11/13/2024

In the fall of 1996, The United Church began participating in the Scrip Program. Gift Certificates (scrip) from a variety of stores, restaurants & other businesses are available for purchase after worship each Sunday during coffee hour. The merchants return a percentage of all scrip purchases to the Church.

A large inventory of gift certificates is maintained to facilitate sales. This reduces the need to place frequent orders, which saves money on shipping costs. A list of merchants currently participating in the scrip program is available to anyone who would like a copy. The list provides information such as the face value of the cards and the percentage that the retailers give back to the Church. New merchants and denominations are frequently added. If you have any questions about the program, please see me after worship.

Thank you to those who have continued to support the program. As of today, the Scrip Program has been able to return \$31,000.00 to the Church.

As of 11/13/2024 the Scrip Program is valued at :

Inventory on hand:	\$3085.00
Checking account balance:	\$3359.89
Total value:	\$6444.89

It has been a pleasure to be involved with this program.

Respectfully submitted,

Kay Achterhof, Scrip Coordinator.
